GENERAL RULES AND INFORMATION

RULE 1 INSTRUCTIONS

This manual contains the General Rules and Classifications for writing ERIE's Ultraflex Package Policy.

RULE 2 ELIGIBILITY

ERIE's Ultraflex Package Policy is designed to provide insurance coverage for eligible businesses and institutions. The Ultraflex Package Policy provides the flexibility of coverages that these risks need.

The Ultraflex Package Policy may be written for most types of retail, wholesale, service, habitational, institutional, contracting and manufacturing risks. The types of businesses included in the Liability Classification Table may be bound by an Agent if they are NOT marked (DSM) - Sales Manager's Inspection Needed, (HO) - Home Office Approval Needed or listed in the Classes of Business that cannot be bound.

The rules, classifications and rates in this manual constitute part of the Ultraflex Package Policy Manual and may not be changed except as specifically permitted in the manual. For liability coverage, we have listed additional endorsements in this manual that are used in conjunction with ISO's Commercial General Liability Coverage.

RULE 3 POLICY TERM

A policy is normally written for a one-year period. All rates and premiums contained on the State Rate pages are annual rates and premiums. The policy will be continued for successive periods by a renewal certificate.

Irregular policy periods: Exceptions will be made, when necessary, to attain a common anniversary date for a policyholder's group of policies. Irregular policy periods will be rated on a pro rata basis.

RULE 4 POLICY WRITING MINIMUM PREMIUM

The policy writing minimum premium is \$500. When only Property Coverage is written, the policy writing minimum premium is \$500.

The annual minimum premium for Buildings - Coverage 1, Business Personal Property and Personal Property of Others - Coverage 2, Additional Income Protection - Coverage 3, Peak Season Coverage, and Special Office Property is \$50 per location.

RULE 5 WHOLE DOLLAR PREMIUM RULE

All premiums will be rounded to the nearest whole dollar. A premium of fifty cents (\$.50) or more will be rounded to the next higher whole dollar.

RULE 6 OTHER INSURANCE

Other insurance is not permitted except:

- A. Insurance against perils not covered by the policy.
- B. Insurance on scheduled items of business personal property that are specifically insured.

RULE 7 RATE REVISIONS

Any changes during the policy period requiring additional or return premium will be made on the basis of the rates in effect at the anniversary date of the policy.

Any revision of rates during the policy period will apply to the next policy term.

RULE 8 CANCELLATION

If the policy is cancelled at the request of The ERIE or the Insured, the earned premium will be computed on a pro rata basis.

RULE 9 TRANSFER OR ASSIGNMENT

Subject to all rules of this manual and any necessary adjustment of premium, a policy may be endorsed to transfer coverage to another location within the same state (subject to specific approval by the Home Office).

ERIE will not transfer coverage from one Insured to another in the event of a title change to the building or a change to the ownership/operations of a business.

RULE 10 ADDITIONAL LOCATIONS

The Ultraflex Package Policy can insure an unlimited number of locations.

RULE 11 COVERAGES

A. Basic

The Ultraflex Package Policy provides basic coverages shown below to provide the Insured with a basic package of protection. These basic coverages can be written jointly as a package policy or individually under the Ultraflex Package Policy.

The basic coverages are:

- Buildings - Coverage 1
- Business Personal Property & Personal Property of Others - Coverage 2
- Bodily Injury Liability and Property Damage Liability - Coverage A
- Personal and Advertising Injury Liability - Coverage B
- Medical Payments - Coverage C

B. Optional

There are many other coverages which Insureds might need to insure protection for their business. Some of these coverages are found in the policy and others are added by endorsement.

The optional coverages found in the Commercial Property Coverage Part are:

- Additional Income Protection (Coverage 3)
- Glass and Lettering (Coverage 4)
- Signs, Lights & Clocks (Coverage 5)

Other optional coverages are available by endorsement.

RULE 12 PERILS

Buildings - Coverage 1, Business Personal Property and Personal Property of Others - Coverage 2, and Additional Income Protection - Coverage 3 are covered against all risks of loss (except those specifically excluded in the policy). This includes Theft Coverage.

Refer to the Ultraflex Commercial Property Coverage Part for exact wording and limitations.

RULE 13 ULTRAFLEX COMMERCIAL PROPERTY COVERAGE PART [FX-00-01](#)

The following is a general description of the coverages provided by the Ultraflex Commercial Property Coverage Part. The policy, forms, endorsements, and appropriate manual rules should be consulted for details.

A. Buildings - Coverage 1:

Coverage 1 provides protection for building(s) described on the Declarations for equipment, machinery and fixtures for service and maintenance of the building, architect's fees, attached outdoor signs, flag poles, outdoor lights, outdoor furniture, fire extinguishing equipment and property of the Insured as landlord (cooking, air conditioning equipment, etc.).

Coverage 1 must be written for each owned building. For a risk to be eligible for the Ultraflex Package Policy, **the amount of insurance must be equal to a minimum of 80% of the buildings Actual Cash Value.**

This program contains Conditional Replacement Cost Coverage for Buildings - Coverage 1. At the Insured's option, instead of Actual Cash Value, 80% of the replacement cost value of the building is used as the limit of insurance to satisfy the coinsurance requirement.

B. Business Personal Property and Personal Property of Others - Coverage 2

Coverage 2 provides protection for the following types of property: personal property pertaining to the Insured's business, improvements and betterments to property leased to the Insured, personal property of others and labor, materials or services furnished or arranged by the Insured on personal property of others.

A single amount of insurance must be written to cover all of the types of business personal property and personal property of others (including improvements and betterments) in each building. For a risk to be eligible for the Ultraflex Package Policy, **the amount of insurance must be equal to a minimum of 80% of the business personal property and personal property of others Actual Cash Value.**

This program contains Conditional Replacement Cost Coverage for Business Personal Property and Personal Property of Others - Coverage 2. At the Insured's option, instead of Actual Cash Value, 80% of the replacement cost value of business personal property and personal property of others is used as the limit of insurance to satisfy the coinsurance requirement.

The Insured has the option of eliminating coverage for improvements and betterments and for personal property of others.

C. Additional Coverages

1. Collapse – Covers the abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied.
2. Fungus, Wet Rot, Dry Rot and Bacteria – Provides up to \$25,000 of coverage for loss or damage to covered property caused by fungus, wet or dry rot or bacteria as the result of a peril insured against.

- Covers direct physical loss to boilers, pressure vessels, refrigeration systems, air conditioning systems, piping, mechanical and electrical machines or apparatus used for the generation, transmission, or utilization of mechanical or electrical power caused by mechanical, electrical, or pressure systems breakdown.
- Electronic Data Restoration – Provides \$25,000 of coverage for reasonable and necessary cost, including loss of income and necessary extra expense, to research, replace, and restore lost electronic data.
- Expediting Expenses – Provides \$25,000 of coverage for the reasonable extra cost to make temporary repairs and expedite permanent repairs or permanent replacement
- Hazardous Substances – Provides \$25,000 of coverage for the cost to repair or replace covered property because of contamination by a hazardous substance, includes additional expenses to clean up or dispose of such property
- Off-Premises Equipment Breakdown – Provides \$10,000 of coverage for loss or damage to transportable covered equipment including reasonable and necessary cost to research, replace, and restore lost electronic data contained within covered equipment
- Off-Premises Utility Properties Failure – Provides \$25,000 of coverage for loss, damage, or expense resulting from the interruption of service to the premises described in the Declarations.
- Public Relations – Provides \$5,000 of coverage for reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business.
- Spoilage – Provides \$25,000 of coverage for physical damage to perishable goods due to spoilage; physical damage to perishable goods due to contamination from the release of refrigerant, including but not limited to ammonia; and any necessary expenses you incur to reduce the amount of loss

E. Blanket Coverage

Blanket Coverage on Buildings and/or on Business Personal Property and Personal Property of Others is available.

Minimum coinsurance is 90%.

The premium is determined by applying the applicable Group I and Group II rates for the property covered to the amount of insurance on the covered property. This is done for each building or for the contents at each location. The premiums developed for each item are totaled.

If desired, Commercial P/C Underwriting will calculate the premium. Submit the required information - location of property to be covered, value of property, etc.

F. Coinsurance

Coinsurance of 80%, 90%, or 100% is required. For Blanket Coverage, a coinsurance of 90% or 100% is required.

Coverage may **NOT** be written on a no-coinsurance basis.

G. Deductibles

The following Deductibles may be written: \$100, \$200, \$500, \$1,000, \$2,500, \$5,000, \$10,000, \$25,000, \$50,000, and \$100,000.

The basic deductible is \$500.

Buildings - Coverage 1 and Business Personal Property and Personal Property of Others - Coverage 2 must be written with the same deductible.

Theft – must be written with the same or higher deductible than the policy deductible.

RULE 14 ULTRAFLEX COMMERCIAL PROPERTY COVERAGE PART [FX-00-01](#) - ADDITIONAL INCOME PROTECTION - COVERAGE 3 (Optional)

Additional Income Protection - Coverage 3 covers loss of income and extra expense resulting directly from interruption of business caused by damage to buildings or business personal property and personal property of others by an insured peril.

The occurrence limit is written to cover the business for loss of profits and continuing expenses for the maximum amount of time the business would be closed after a loss. It provides excess limits over the Extension of Coverage - Income Protection Coverage.

Rental value of certain dwellings is provided in B. Extensions of Coverage – Private Structures and Rental Value – Dwellings. Additional limits may be purchased under Coverage 3.

Blanket Coverage - Income Protection

Blanket Coverage on additional income protection is available.

The Premium is determined by applying the 90% coinsurance rates for the applicable Group I and Group II rates for buildings. Use the premium calculation for additional income protection. This is done for additional income protection at each location. The premiums developed for each item are totaled.

Endorsements - Income Protection

Refer to the following forms under the rule entitled Non-ISO Endorsements:

- UL-KH Extra Expense Coverage - Coverage 3
- UL-KN Income Protection - Valued Limit
- UL-KO Full Resumption of Operations
- UL-KP Monthly Period of Indemnity

RULE 15 ULTRAFLEX COMMERCIAL PROPERTY COVERAGE PART [FX-00-01](#) - GLASS AND LETTERING - COVERAGE 4 (Optional)

Glass and Lettering - Coverage 4 eliminates the deductible for glass coverage. This is on a replacement cost basis. Lettering, ornamentation, and burglar alarm foil on insured glass is also covered against all risks of loss for replacement cost at no additional charge.

Replacement will be made with safety glazing materials when required by building ordinance or code.

RULE 16 ULTRAFLEX COMMERCIAL PROPERTY COVERAGE PART [FX-00-01](#) - SIGNS, LIGHTS AND CLOCKS - COVERAGE 5 (Optional)

Signs, Lights and Clocks - Coverage 5 provides additional amounts of coverage over the \$5,000 provided in the Commercial Property Coverage Part. This also provides full coverage.

RULE 17 COMMERCIAL GENERAL LIABILITY COVERAGE FORM [CG 00 01](#)

Bodily Injury Liability and Property Damage Liability (Coverage A), Personal and Advertising Injury Liability (Coverage B) and Medical Payments (Coverage C) are basic for all operations of the business classification(s) stated on the Declarations.

Protection is provided for liability arising from:

- premises
- operations
- products and completed operations
- blanket contractual agreements
- structural alterations and new construction performed by independent contractors (additional premium)
- buildings rented to Insured
- damage to premises rented to you - fire legal liability
- employees as additional Insureds
- broad form property damage
- incidental medical malpractice
- non-owned watercraft
- automatic coverage - newly acquired or formed organizations (90 days) except when excluded in whole or in part on the Declarations, policy form, or by endorsement

The Liability portion of the Ultraflex Package Policy is written on a Commercial General Liability (CGL) basis. This provides protection for all premises and all operations of the Insured known to exist at the most recent policy anniversary date.

Therefore, it is mandatory that **ALL OPERATIONS AND OCCUPANCIES OF THE INSURED BE LISTED ON THE APPLICATION.** All must be listed regardless of the percentage of the total operation.

Bodily Injury Liability and Property Damage Liability Coverage A - Provides coverage for liability arising from bodily injury, sickness, and death and provides coverage for liability arising from damage to tangible property and loss of use of tangible property.

Personal and Advertising Injury Liability - Coverage B - Provides coverage for liability arising from invasion of privacy, false arrest, false imprisonment, wrongful detention, malicious prosecution, libel, slander, and defamation of character and provides coverage for liability arising from the Insured's advertising activities.

Medical Payments - Coverage C - Provides payment of reasonable medical expenses to a person injured by an accident arising from a condition on the premises or arising out of operations.

Damage To Premises Rented To You – Fire Legal Liability - Coverage is automatically provided up to the Any One Premises limit. This coverage provides fire legal liability insurance. If Liability Coverage is not written because of a Garage Liability Policy (e.g. repair garages, auto dealers), the Garage Policy automatically includes fire legal liability in all states.

Bodily Injury Liability and Property Damage Liability, Personal and Advertising Injury Liability and Medical Payments are written for a single premium. Rates are shown on the Liability Classification Tables. These rates are annual rates.

COVERAGE	LIMITS OF PROTECTION - COVERAGES A, B, & C
COVERAGE A Each Occurrence	Occurrence Limit *
COVERAGE B Personal & Advertising Injury	Occurrence Limit *
COVERAGE C Each Person	5,000 **
Damage to Premises Rented To You – Fire Legal Liability	Occurrence Limit *
COVERAGE A, B, & C General Aggregate	Aggregate Limit *
COVERAGE A Products-Completed Operations Aggregate	Aggregate Limit *

*Available occurrence limit/aggregate limit options in \$000's are 50/100, 100/200, 300/600, 500/1000, 1000/2000, 1000/3000, 1000/4000, 1000/5000, 2000/2000, 2000/3000, and 2000/4000. In addition, higher limits options in \$000's are available with Commercial Underwriting approval including 2000/5000, 3000/3000, 3000/4000, 3000/5000, 3000/6000, 4000/4000, 4000/5000, and 5000/5000.

If the Ultraflex Package Policy is written with a Garage Policy or any other liability policy, the limit for both policies should, as far as practical, be the same.

RULE 18 EXECUTIVE OFFICERS, PARTNERSHIPS AND PROPRIETORSHIPS – PAYROLL

In computing payroll, use the following table, depending on the policy effective date, as the basis in determining the **annual payroll** for each owner, active partner, or active executive officer which must be included.

Policy Effective Date	Executive Officers Payroll	Partnerships and Proprietorships Payroll
10/1/2015 – 9/30/2016	\$30,000	\$28,000
10/1/2016 – 9/30/2017	\$30,000	\$30,000

The executive officers of a corporation are the president, any vice-president, secretary, treasurer, and any other officers selected or appointed according to the charter, constitution, or by-laws of the corporation.

Exception: The payroll of all executive officers and individual insureds or co-partners engaged principally in clerical operations or salesmen shall not be included for premium purposes.

Part-Time or Seasonal Businesses – The payroll amounts may be reduced by 2 percent for each full calendar week in excess of twelve during which the risk performs no operations.

Refer to the Ultraflex Rating and Premiums calculation in the State Rate pages for selection of liability codes and premium computation.

RULE 19 ULTRAFLEX EXTRA LIABILITY COVERAGES - [FX-00-03](#)

This endorsement provides XTRA PROTECTION FEATURES developed by The ERIE.

- Damage to Premises Rented to You - Fire Legal Liability
- Host Liquor Liability
- Non-Owned Watercraft – Increases coverage to 51'
- Incidental Medical Malpractice
- Volunteer Workers – Medical Payments
- Attorney's Fees – Increases fees up to \$100
- Municipal Supervisors
- Waiver of Subrogation
- Primary and Non-Contributory Insurance

Premium Calculation

This is a non-premium bearing endorsement.

RULE 20 ISO ENDORSEMENTS

ISO endorsements that appear in this Ultraflex manual are ones which:

- The ERIE has created an exception to the information contained in the ISO Commercial Lines Manual; or
- The ERIE has established rates for ISO rules that specify "Refer to Company" for rates.

CG 00 65 Electronic Data Liability Coverage Form (Claims-Made)

This form provides coverage, on a claims-made basis, against damages because of loss of electronic data that is caused by an electronic data incident. It also covers loss of computerized or electronically stored data or software which results from physical injury to tangible property.

The Electronic Data Liability Limit must not be greater than the CGL occurrence limit.

The rating base of the governing class should be used to develop the Electronic Data Liability premium in multiple class code situations.

This coverage is subject to a \$1,000 deductible

Premium Calculation Table CG0065

(CG 00 65) Limits	Base Rates	Minimum Premium
\$25,000	\$2.50	\$175
50,000	3.00	200
75,000	3.50	225

250,000	5.00	400
500,000	6.00	600
1,000,000	6.50	850

- 1) Choose a desired limit of coverage.
- 2) Multiple the base rate for that limit by the highest liability exposure base in thousands and round to the nearest dollar. (Example: multiply the rate times payroll in thousands, or the rate times sales in thousands, or the rate times the "each" exposure, etc.).

The coverage minimum premium for CG 00 65 is \$150.

CG 03 05 Deductible Liability Insurance (for use with Liquor Policies)

This is a method of coverage under which the Insured agrees to contribute up to a specific sum either per claim or per occurrence, towards the amount paid to claimants as damages.

When deductible insurance is selected by the Insured, either on a per claim or per common cause basis, the company's obligation under the Liquor Liability Coverage to pay damages on behalf of the Insured applies only to the amount of damages in excess of any deductible amount stated as applicable.

UL-AL Peak Season Increase Business Personal Property and Personal Property of Others

This endorsement increases the limits for Business Personal Property and Personal Property of Others - Coverage 2 to provide sufficient limits of coverage when inventories fluctuate on a regular basis. By use of this endorsement, the amount of insurance for Business Personal Property and Personal Property of Others - Coverage 2 is increased by the amount agreed upon for the desired period(s). (When inventory fluctuation is not regular, consult Commercial Property/Casualty Underwriting for Reporting Form).

Premium Calculation

1. Determine Contents rate (Order of calculation up to and including the Named Perils Factor)
2. Multiply by 1/12 or .083 to obtain the Peak Season rate per month
3. Divide the amount of insurance by 100 and multiply by the number of months
4. Multiply steps 2 and 3 together and round to the nearest dollar
5. Multiply the IRPM factor (if applicable) and round to the nearest dollar

UL-AM Liability for Property of Guests

This endorsement provides coverage for damage to property of guests for which the law holds the Insured responsible while the property is in the care, custody, or control of the Insured. Motels often require this protection. Coverage is provided up to the statutory limit or the limit purchased.

UL-AV Additional Amount of Insurance for Damage to Premises Rented to You

This endorsement provides additional limits over and above the Damage to Premises Rented to You limit provided by the basic policy.

Premium Calculation

Multiply the additional limit of insurance by 25% of the building adjusted annual 80% coinsurance Group I and Group II rates. If no coinsurance rate is published, the flat rate is to be considered the 80% coinsurance rate.

When determining the limit for Damage to Premises Rented to You, consideration should be given to the replacement cost of the part of the building in the Insured's care, custody or control. Thought should also be given to the Insured's liability as respects loss of use.

Example: \$150,000 Building \$100,000 Damage to Premises Rented to You \$50,000 Additional Damage to Premises Rented to You

- A. Building Group I rate = \$.84
- B. Building Group II rate = \$.082
- C. $$.84 + .082 = .922 \times .25 = .231$
- D. $\$50,000 \times .231 \text{ (per } \$100) = \$115.50 = \116

Note: The building Group I and Group II rates should not include any deductible credits or debits.

UL-BA Voluntary Property Damage Endorsement

This endorsement provides coverage for unintentional damage to property of others caused by the Insured while the property is in the care, custody, or control of the Insured. This endorsement is designed for Insureds who do not bring property of others to their own premises.

Coverage is subject to a deductible applying to each loss. The deductibles offered are \$250, \$500, \$1,000, or \$5,000. The limits of protection are as follows:

(UL-BA) Each Occurrence	Aggregate	Deductibles

UL-BB Cooking Protection Equipment Accidental Leakage

This endorsement only applies if Business Personal Property and Personal Property of Others is on a named perils basis.

This endorsement provides coverage for loss resulting from accidental leakage or discharge of an Automatic Cooking Protection System protecting cooking equipment or the cooking exhaust system.

With this endorsement, cooking protection equipment leakage becomes an insured peril and any;

1. loss is subject to the policy deductible, and
2. loss of income resulting from cooking equipment leakage will be covered under Extension of Coverage - Income Protection - Valued Coverage.

Premium Calculation

The annual charge for adding this endorsement is \$10 per system (a system means the area serviced by one tank). This rating includes Additional Income Protection Coverage.

UL-BD Business Personal Property and Personal Property of Others Monthly Reporting

Permits Insureds who have fluctuations in their inventory during the year to estimate the value of Business Personal Property and Personal Property of Others at the inception date of the policy period. A provisional amount of insurance is shown in the Declarations for Business Personal Property and Personal Property of Others. This includes furniture and fixtures as well as the fluctuating inventory amount. The Insured must report the full value of Business Personal Property at the end of each month.

Premium Calculation

Provisional Premium – This is the premium charged based on the provisional amount of insurance. A 25% credit is given since there is no average rating value established.

Actual premium – Premium will be adjusted at the end of the policy period based on the actual monthly reported inventory amounts. The 12 monthly values reported will be added and divided by 12 to determine the average value for the past year. If this amount is greater than the provisional premium, the insured will be billed accordingly. If this amount is less than the provisional premium, the insured receives a refund.

UL-BK Directors' and Officers' Liability Coverage - Condominiums

This Coverage Part covers any insured while acting within the scope of their duties related to the operations of the Condominium Association against any negligent acts, errors, omissions, or breach of duty.

There is a \$1,000 Self-Insured Retention that applies to each claim covered under this endorsement.

The limit of liability for this coverage cannot exceed the Commercial General Liability occurrence limit.

Rates are multiplied by the number of condominiums in the association. Coverage is subject to a Self-Insured Retention of \$1,000 per claim.

UL-CM Protective Safeguards Deductible

This endorsement amends the Protective Safeguard condition in the basic policy to state that if service of protective safeguard devices is not continued for reasons not within the Insured's control, the deductible shown on the Declarations will apply to any loss that occurs.

Premium Calculation

This is a non-premium bearing endorsement.

UL-CN Protective Safeguards Amendment

This endorsement amends the Protective Safeguard condition in the basic policy to state that if service of protective safeguard devices is not continued for reasons not within the Insured's control and a discount has been given for the service, this insurance will be reduced.

Premium Calculation

This is a non-premium bearing endorsement.

UL-CR Auto-Keepers' Liability Coverage

This endorsement provides coverage for damage to automobiles of others for which the law holds the Insured responsible while the automobiles are in the custody of the Insured for storage, repair, or safekeeping. Typical businesses requiring this protection are: parking and storage lots and garages, service stations, motels, and stores operating their own parking lot or garage. This endorsement should not be used if the Insured is eligible for a Garage Liability Policy as liability arising from physical damage to customers' automobiles - Damage to Customers' Cars - should be included on the Garage Policy.

There are two groups of perils:

Coverage I

- Fire
- Explosion
- Theft
- Riot
- Civil Commotion
- Vandalism
- Malicious Mischief

Coverage I Deductible

- \$200 deductible applies to all perils. This group of perils must be purchased as a unit.

Coverage II

- Collision

Coverage II Deductible

- \$200 deductible applies. **Coverage II can only be purchased if Coverage I perils are purchased.**

The limit of insurance purchased for each location should approximate the total value of all customers' automobiles that can be parked or stored at that location.

The limits of insurance for Coverage I and Coverage II must be the same.

Premium Calculation

UL-DJ Extended Reporting Period Coverage - Directors' and Officer's Liability

This endorsement covers the Insured for any claims made during the extended reporting period, but only for acts committed while the Directors' and Officers' Liability Coverage - Condominiums or Directors' and Officers' Liability Coverage – Homeowners is in force. This endorsement is used after the Directors' and Officers' Liability Coverage – Condominiums or Directors' and Officers' Liability Coverage - Homeowners is cancelled. If this coverage is purchased, the Extended Reporting Period Coverage will be written under our Monoline Commercial General Liability Program.

Premium Calculation

Multiply the last annual Directors' and Officers' Liability Coverage - Condominiums (UL-BK) or Directors' and Officers' Liability Coverage – Homeowners (UL-KZ) premium by .40.

UL-DK Governmental Subdivisions Liability

This endorsement amends coverage to include all premises and operations necessary for the governmental subdivision.

Premium Calculation

This is a non-premium bearing endorsement.

UL-DR Agreed Amount Clause

This endorsement replaces the coinsurance clause for Building(s) (Coverage 1) and/or Business Personal Property and Personal Property of Others (Coverage 2). This endorsement states that we shall not be liable for a greater proportion of any loss that the amount of insurance bears to the agreed amount shown on the Declarations.

Under this coverage, the Coinsurance Clause is suspended for insureds who agree to carry a limit of insurance equal to at least 80% (for specific insurance) or 90% (for blanket insurance) of the value of their property.

Premium Calculation

Multiply the 80%, 90%, or 100% combined Group I and Group II rate by 1.05.

UL-DS Computer Fraud Coverage

This endorsement covers loss to money, securities, business personal property and personal property of others from computer fraud and covers loss to money and securities from a fraudulent instruction directing a financial institution to transfer, pay, or deliver money or securities from your transfer account.

Premium Calculation

1. Determine the Annual Base Rate based on selected Computer Fraud Amount of insurance. If the rate for the desired limit is not shown in the table, use the Interpolation procedure shown below.
2. Multiply by the Guide Size Modifier based on Policy Annual Sales from all structures on policy and round to the nearest dollar.
3. Multiply by the Deductible factor based on the selected Deductible Option and round to the nearest dollar.
4. Multiply by the Number of Structures factor based on the number of structures on the policy and round to the nearest dollar.
5. Multiply by the Individual Risk Modification factor and round to the nearest dollar.

Interpolation Procedure

1. Subtract the rate for the lower limit of coverage from the rate for the higher limit of coverage.
2. Subtract the lower limit of coverage from the higher limit of coverage.
3. Subtract the lower limit of coverage from the desired limit of coverage.
4. Divide the result of Step 3. by the result of Step 2.
5. Determine the additional rate by multiplying the result of Step 1. by the result of Step 4. and round to the nearest dollar.
6. Add the additional rate from Step 5. to the rate for the lower limit of coverage.

Example: \$225,000 of coverage

- 1) $155 - 143 = 12$
- 2) $250,000 - 200,000 = 50,000$
- 3) $225,000 - 200,000 = 25,000$
- 4) $25,000 / 50,000 = 0.5$
- 5) $12 \times 0.5 = 6$
- 6) $143 + 6 = \$149$ Base Rate

Tier 2 - Referral Coverage

Aggregate Limits of Liability of \$100,000 \$250,000, \$500,000, \$1,000,000, and \$2,000,000 for Insureds with 51 – 500 employees. Aggregate Limits of Liability of \$500,000 and \$1,000,000 for Insureds with 1 – 50 employees who are not eligible for the Tier 1 - Portfolio Coverage. Limits are for all losses combined including defense costs.

E. Deductible***Tier 1 - Portfolio Coverage***

The \$10,000, \$25,000 and \$50,000 limits are subject to \$2,500, or \$5,000 deductible amount for each claim. The \$100,000 and \$250,000 limits are subject to a \$2,500, \$5,000, \$10,000, or \$25,000 deductible amount for each claim. The \$500,000 and \$1,000,000 limits are subject to a \$5,000 or \$10,000 deductible amount for each claim.

Tier 2 - Referral Coverage 1 – 50 Employees

The \$500,000, \$1,000,000, and \$2,000,000 limits are subject to a \$5,000, \$10,000, or \$25,000 deductible amount for each claim.

Tier 2 – Referral Coverage 51 – 250 Employees

The \$100,000 and \$250,000 limits are subject to a \$2,500, \$5,000, \$10,000, or \$25,000 deductible amount for each claim. The \$500,000, \$1,000,000, \$2,000,000 limits are subject to a \$5,000, \$10,000, or \$25,000 deductible amount for each claim.

Tier 2 – Referral Coverage 251 – 500 Employees

The \$250,000 limits are subject to a \$2,500, \$5,000, \$10,000, or \$25,000 deductible amount for each claim. The \$500,000, \$1,000,000, or \$2,000,000 limits are subject to a \$5,000, \$10,000, or \$25,000 deductible amount for each claim.

F. Premium Calculation***Tier 1 - Portfolio Coverage***

For all limits except \$500,000 and \$1,000,000 multiply the total number of full-time employees (2 part-time employees are considered a full-time employee only for rating purposes) by the rate per employee premium charge.

1. Determine the number of full-time and part-time employees, liability limit, and deductible amount desired.
2. Multiply the rate per employee for the desired liability limit and deductible amount by the total number of full-time employees (2 part-time employees are considered a full-time employee only for rating purposes).
3. If optional Third Part Coverage is desired, multiply by 1.15 and round to the nearest dollar.
4. For the \$500,000 and \$1,000,000 liability limits, compare to the minimum premium and select the higher premium.

To be eligible for \$500,000 and \$1,000,000 limits, the insured must respond affirmatively to these four questions.

1. There have been no EPL claims, suits or complaints against the insured or any executive, officer or owner in the past 5 years.
2. The insured has not filed for bankruptcy in the past 5 years.

3. Have all job applicants been required to complete and sign an employment application.
4. The insured, executive, officer, or owner has no knowledge or information of any act, error, or omission which might give rise to an EPL claim, suit, or complaint.

G. Third Party EPL Coverage

Optional Third Party coverage for allegations of harassment and/or discrimination brought by customers, clients or vendors is available for 15% additional premium.

UL-TF Extended Reporting Period Elected Endorsement for Employment Practices Liability Insurance Coverage

If the Named Insured cancels Employment Practices Liability Insurance, or we refuse to renew Employment Practices Liability Insurance, the Named Insured has the right, upon payment of an additional premium of 100% of the full annual premium applicable to this coverage, to buy the Extended Reporting Period Elected Endorsement which provides an extended reporting period of one (1) year following the effective date of cancellation or nonrenewal, to report claims which occurred on or after the original inception date and on or before the cancellation or nonrenewal date.

Premium Calculation

Multiply the last annual Employment Practices Liability Insurance Coverage (UL-TE) premium by 100% to obtain the final premium.

RULE 26 DATA BREACH COVERAGES

UL-UN Data Breach Response Expenses Coverage

This is first-party coverage providing expenses associated with:

Data Breach Services – consulting services to assist in determining the severity of the breach, the required regulatory or consumer notification, the remediation services offered, drafting the breach notification letter, determining alternate forms of notice (web-based response/email notification), and the notification of to third parties.

Data Breach Expenses Coverages – expenses paid for printing, mailing, postage and delivery of notification letters sent to affected individuals, expenses incurred from monitoring services, a toll-free help-line number, and expenses associated with assisting the affecting individual through the process of correcting credit and other records.

Legal Expense Coverage (Legal and Forensic Information Technology Review) – legal costs incurred to review the personal data breach and how to respond to it.

Premium Calculation

Data Breach Response Expenses Order of Calculation

1. Determine Data Breach Risk Group assigned to each class code on a policy and select highest Risk Group to be used to rate.
2. Find the Response Expenses base rate based on the Data Breach Risk Group selected in 1.
3. Multiply by the Increased Limit factor for limits in excess of the \$10,000 base limit.
4. Multiply by the Number of Personally Identifiable Information (PII) Records factor.

Base Rates

Risk Group	Response Expenses Base Rate
1 (LOW)	\$20
2 (MEDIUM)	\$40
3 (HIGH)	\$60

Increased Limit Factor

The selected limit is the maximum amount paid for covered losses during the policy period regardless of the number of loss events.

Limit	Increased Limit Factor
\$10,000	1.00
\$25,000	1.40
\$50,000	2.00

* Requires Underwriter approval

UL-UP Data Breach Liability Coverage

This covers the insured's legal liability for damages due to the theft or loss of Personally Identifiable Information (PII), or the insured's negligent failure to comply with their privacy policy. It provides coverage for civil awards, settlements, and judgments as a result of a data breach claim or suit that an insured is legally obligated to pay. This also covers the insured for defense and settlement costs in the event the affected individuals sue the insured.

Data Breach Liability Order of Calculation

1. Determine Data Breach Risk Group assigned to each class code on a policy and select highest Risk Group to be used to rate.
2. Find the Liability base rate based on the Data Breach Risk Group selected in 1.
3. Multiply by the Increased Limit factor for limits in excess of the \$10,000 base limit.
4. Multiply by the Number of Personally Identifiable Information (PII) Records factor.

Base Rates

* Requires Underwriter approval

Data Breach Risk Groups

The risk group for Data Breach coverages is determined by comparing the data breach risk groups for all classifications on the policy and using the highest risk group.

If any class on the policy is ineligible, Data Breach Response Expenses Coverage and Data Breach Liability Coverage cannot be written on the policy.

Data Breach Risk Group 1: LOW Risk Classes

These classes encompass companies whose only personal information is relative to employees.

Data Breach Risk Group 2: MEDIUM Risk Classes

These classes encompass companies that keep financial or account number information on individual customers, but do not keep customers' social security numbers or medical records.

Data Breach Risk Group 3: HIGH Risk Classes

These classes encompass companies that maintain customers' social security numbers and/or medical records.

INELIGIBLE Classes:

Classes with an excessive amount of exposure to risk based on the amount of PII records that these types of business typically have will be ineligible to purchase Data Breach.

UL-UQ Identity Recovery Coverage – Owners

This covers the owner of the business as a result of an identity theft. The owner is assigned a case manager who provides a wide range of identity recovery services on behalf of the owner. This is designed to reduce the personal time necessary to restore one's identity. Services include letter writing, phone calls, credit reports requests, follow-up and record-keeping.

This coverage also includes expenses arising from the identity theft. These expenses include lost wages, child and elder care costs, mental health counseling, and miscellaneous unnamed costs. This endorsement provides up to \$25,000 for all expenses covered under Expense Reimbursement Coverage because of all "identity thefts" occurring during the policy period to any one "identity recovery insured".

Premium Calculation

The premium is \$20.

UL-UR Identity Recovery Coverage – Owners and Employees

This covers the owner and employees of the business as a result of an identity theft. The owner is assigned a case manager who provides a wide range of identity recovery services on behalf of the owner. This is designed to reduce the personal time necessary to restore one's identity. Services include letter writing, phone calls, credit reports requests, follow-up and record-keeping.

This coverage also includes expenses arising from the identity theft. These expenses include lost wages, child and elder care costs, mental health counseling, and miscellaneous unnamed costs. This endorsement provides up to \$25,000 for all expenses covered under Expense Reimbursement Coverage because of all "identity thefts" occurring during the policy period to any one "identity recovery insured".

Premium Calculation

The premium is \$40.

RULE 27 COMMERCIAL GENERAL LIABILITY EXPERIENCE AND SCHEDULE RATING PLAN

The following replaces RULE 2. E.:

Experience rating is applied to the liability portion of the premium if the insured qualifies. To qualify, the insured needs approximately \$3,000 of annual basic limit liability premium. The experience rating credit/debit is mandatory for all insureds that qualify. The calculation is completed at the home office and the insured receives a notice of the credit/debit applied to the liability premium with their renewal. The experience period must end at least six months prior to the rating date. The insured must have an expected loss amount over \$6,049 for the three year period. Any debit or credit from the experience rating plan is to be added to the debit or credit from the schedule rating plan. Changes in debits and credits from the previous year are limited to 40%.

NOTE: The Underwriting file must contain documentation at policy inception and at each policy renewal, including an evaluation of each of the risk characteristics used, to justify any modifications that are applied under the provisions of this rule.

Consult the Commercial Underwriting Department if you have further questions.

RULE 28 TERRORISM OPTIONS – FEDERAL BACKSTOP**1. Introduction**

The "Terrorism Risk Insurance Act" ("TRIA") establishes a program within the Department of the Treasury in which the Federal Government will share the risk of loss from terrorist attacks with the insurance industry. Federal participation will be triggered when the Secretary of the Treasury certifies an act of terrorism, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism provided the terrorist act results in aggregate losses in excess of an amount stated in the Act. With respect to insured losses resulting from a certified act of terrorism, the Federal Government will reimburse individual insurers for a percentage of losses (as stated in the Act) in excess of the insurer's retention, which is based on a specified percentage of the insurer's earned premium for the year preceding the loss. Insured losses covered by the program are capped at \$100 billion per year; this provision serves to limit insurers' liability for losses. If a terrorism event pierces the cap of a given year, insured losses paid (amounts below the cap) under the federal program may be subject to pro rata allocation in accordance with procedures established by the Treasury. All insurers providing commercial property insurance and general liability insurance are required to participate in the program to the extent of making available coverage for certified acts of terrorism in accordance with the terms and conditions of coverage which apply to other perils.

For all new and renewal business, an insurer must make available to insureds coverage for losses caused by certified acts of terrorism. The insurer must disclose to the policyholder the premium for losses covered, the federal

share of compensation for such losses under the program and the existence of the \$100 billion cap, at the time of offer, purchase and renewal of the policy.

2. Important General Information

The following paragraphs in this section, instruct on the usage of Terrorism Endorsement Options that may be attached to policies that become effective while the Terrorism Risk Insurance Program is in effect.

The federal program does not include Canada, and therefore endorsements relating to certified acts of terrorism are not relevant to acts of terrorism occurring in Canada. The federal program in general encompasses losses that occur within the United States, with State defined in the Act to include U. S. territories and possessions and the commonwealth of Puerto Rico. For commercial property insurance provided under the commercial property coverage part, the coverage territory is the United States, its territories and possessions, Puerto Rico and Canada. The foregoing is for information only; this Terrorism Supplement does not address policy writing outside the aforementioned coverage territory.

3. Disclosure of Premium

IL 9 85G Disclosure Pursuant To Terrorism Risk Insurance Act Endorsement

Disclosure of premium attributable to coverage for certified acts of terrorism, and disclosure of federal participation in payment of potential terrorism losses and existence of the \$100 billion cap, is a condition for reimbursement under the federal program. Use Disclosure Pursuant To Terrorism Risk Insurance Act Endorsement IL 9 85 G, which responds to the Treasury Guidance on line item disclosure, where Terrorism Premium (Certified Acts) is \$4. This is not an increase to the policy premium. The \$4 charge is the portion of the policy premium that is attributable to the terrorism exposure and is included in the policy premium otherwise developed using the rates, rating rules, and rating plans for the Ultraflex Package Program.

GU-126 Disclosure – Terrorism Risk Insurance Coverage – Offer Accepted

Disclosure of premium attributable to coverage for certified acts of terrorism, and disclosure of federal participation in payment of potential terrorism losses and existence of the \$100 billion cap, is a condition for reimbursement under the federal program. Use Disclosure – Terrorism Risk Insurance Coverage Endorsement GU-126, which responds to the Treasury Guidance on line item disclosure, where premium charge will be shown on the declarations for policies referred to company for rates.

GU-127 Disclosure – Terrorism Risk Insurance Act – Offer Rejected

When coverage for certified acts of terrorism is rejected, use GU-127 to indicate coverage for premium charge and rejection on declarations and to disclosure exception for fire losses in Illinois, New York, North Carolina, and Wisconsin.

4. Property Insurance

IL 09 52 Cap on Losses From Certified Acts of Terrorism

When coverage for certified acts of terrorism is provided, use Cap On Losses From Certified Acts of Terrorism Endorsement IL 09 52. Coverage for certified acts of terrorism is subject to the statutory cap on liability for losses and subject to the nuclear hazard exclusion and all other underlying policy exclusions. Coverage for acts of terrorism that are not certified (for example, acts which do not exceed the dollar threshold for federal certification or acts which occur outside the jurisdictional boundary of the federal program) is not subject to the statutory cap.

IL 09 53 Exclusion of Certified Acts of Terrorism

When coverage for certified acts of terrorism is not provided, use Exclusion of Certified Acts of Terrorism IL 09 53. The exclusion does not extend to acts of terrorism that are not certified (for example, acts which do not exceed the dollar threshold for federal certification or acts which occur outside the jurisdictional boundary of the federal program).

Premium Calculation

Individual Risk Situations – Refer to company for rates.

Individual risk situations apply to classes of business/risks where we want to make an additional premium charge. The individual risk situations apply only to the following:

- Any building having more than 7 stories and property value greater than or equal to \$5,000,000.
- Any structure with \$25,000,000 or greater in property value.
- Policies written with \$25,000,000 or greater in property value.
- Structures with greater than or equal to \$5,000,000 in property containing a political office or shopping center.
- Municipalities.
- Structures located in codes 20001, 20002, 20003, 20004, 20005, 20006, 20007, 20008, and 20009 in the District of Columbia with property value greater than or equal to \$5,000,000.

5. Liability Insurance

CG 21 70 Cap on Losses From Certified Acts of Terrorism

To provide coverage for both certified acts of terrorism and other acts of terrorism (subject to underlying policy provisions), but provide that the insurer will not pay any amount for injury or damage for any certified act of terrorism after the amounts of all such events in a statutory period exceed the cap provided by the Act, use Cap On Losses From Certified Acts of Terrorism Endorsement CG 21 70.

CG 21 73 Exclusion of Certified Acts of Terrorism

To exclude coverage for certified acts of terrorism but provide coverage for other acts of terrorism (subject to underlying policy provisions), use Exclusion Of Certified Acts of Terrorism Endorsement CG 21 73.

Premium Calculation

Refer to company for rates.

RULE 29 ADDITIONAL RULES

Fair Access To Insurance Requirements (FAIR Plan)

The FAIR Plan is designed to provide basic property insurance coverage for qualified real and tangible personal property located in "urban areas" which is owned by persons who have been unable to secure such insurance in the normal insurance market.

The FAIR Plan in each of the States varies somewhat, but all provide coverage for fire, extended coverage, and vandalism and malicious mischief. The physical condition of the property is the sole governing factor in determining insurability. Generally farms, manufacturing risks, motor vehicles and buildings vacant for longer than 30 days are not considered eligible property.

All insurance companies in every state are automatically members of the state's FAIR Plan. All ERIE Agents should be prepared to write insurance through the FAIR Plan. For information, applications, etc. contact the following state plan:
